About Us -

From our humble beginning in 1997, we are one of the top integrated Outdoor Playground & Fitness equipments Manufacturer.

We cater to the Fitness equipment needs of the discerning institutions & general public when and where they need it.

Every year we have grown to add on more products to our product line with innovative designs.

We strive to obtain the highest standards of quality in our products. We have an efficient workforce, professionally qualified personnel & modern infrastructure to ensure superior quality of products.

Our modern & spacious manufacturing set-up is backbone of our organization.

Who We Are -

New Sai Fibers helps build stronger communities through exercise and play. By providing all equipments to fulfill this aim.

New Sai Fibers hopes to be a leader in the field of community building through sport.

- We provide state of the art Outdoor Fitness Equipments to fulfill the needs of Public parks, Schools, Colleges, Apartments, Hospitals, Corporate and Gyms.
- With more than 2 decades of experience, we are honored to be one of India's leading provider of Play & Outdoor Fitness solutions.

Quality Policy

We at **New Sai Fibers** are committed to meet the requirements of the customers, taking into account the quality of products and on time delivery.

We will continually review our Quality Management System & improve its effectiveness.
